Manage Inventory Page

A screenshot of a web browser window titled "Frontend". The URL bar shows "http://localhost:4200/admin/inventory". The page title is "InventoryApp". The main content area is titled "Manage Inventory" and contains a sidebar with the following options: "Add Category", "Add Product", "Add Warehouse", "Manage Warehouses", and "Add Stock". Below the sidebar, a message says "Select an option from the sidebar to begin." A vertical scrollbar is visible on the right side of the content area.

Add category

A screenshot of a web browser window titled "Frontend". The URL bar shows "http://localhost:4200/admin/inventory/add-category". The page title is "InventoryApp". The main content area is titled "Add New Category" and contains the following form fields:

- Name *: A text input field containing "e.g. Electronics".
- Description: A text input field containing "Category details...".
- Icon URL: A text input field containing "http://image.com/icon.png".

At the bottom of the form is a "Create Category" button. The sidebar on the left has a green header "Add Category" and the same list of inventory management options as the previous screenshot. The address bar at the bottom of the browser shows "localhost:4200/admin/inventory/add-inventory".

Add Product

The screenshot shows a web browser window titled "Frontend" with the URL "http://localhost:4200/admin/inventory/add-product". The page is titled "InventoryApp" and has a header with "Dashboard", "Manage Users", and "Manage Inventory". A user profile icon with the letter "A" is in the top right. On the left, a sidebar titled "Manage Inventory" includes links for "Add Category", "Add Product" (which is highlighted in green), "Add Warehouse", "Manage Warehouses", and "Add Stock". The main content area is titled "Add New Product". It contains fields for "Product Code * (3-7 chars)" (STAT001), "Brand *" (Ohuhu), "Product Name *" (320 shades Alcohol Markers), "Price *" (21990), "Category *" (Stationary), "Image URL" (https://sc04.alicdn.com/kf/Hab84027271dd4d00a11b124b898d887dy.png), and a "Description" text area containing "Ohuhu Honolulu 320 Colors Marker Pen Set Alcohol Art Markers". A "Create Product" button is at the bottom.

Add Warehouse

The screenshot shows a web browser window titled "Frontend" with the URL "http://localhost:4200/admin/inventory/add-warehouse". The page is titled "InventoryApp" and has a header with "Dashboard", "Manage Users", and "Manage Inventory". A user profile icon with the letter "A" is in the top right. On the left, a sidebar titled "Manage Inventory" includes links for "Add Category", "Add Product", "Add Warehouse" (which is highlighted in green), "Manage Warehouses", and "Add Stock". The main content area is titled "Add Warehouse". It contains fields for "Warehouse Name *" (Itsy Bitsy Warehouse) and "Location *" (Bangalore). A "Add Warehouse" button is at the bottom.

Manage Warehouse

The screenshot shows a web browser window titled "Frontend" with the URL <http://localhost:4200/admin/inventory/manage-warehouses>. The page is titled "InventoryApp" and has a navigation bar with links to "Dashboard", "Manage Users", and "Manage Inventory". On the left, there is a sidebar with options: "Add Category", "Add Product", "Add Warehouse", "Manage Warehouses" (which is highlighted in green), and "Add Stock". The main content area is titled "Manage Warehouses" and displays a table with the following data:

ID	Name	Location	Status	Actions
#1	ABC Warehouse	Chennai	Active	Deactivate
#2	Sudha Warehouse	Delhi	Active	Deactivate
#3	Ram Warehouse	Mumbai	Inactive	Activate
#4	Vishaya Warehouse	Bangalore	Active	Deactivate
#5	Shaj Warehouse	Delhi	Active	Deactivate
#6	Itsy Bitsy Warehouse	Bangalore	Active	Deactivate

Add Inventory

The screenshot shows a web browser window titled "Frontend" with the URL <http://localhost:4200/admin/inventory/add-inventory>. The page is titled "InventoryApp" and has a navigation bar with links to "Dashboard", "Manage Users", and "Manage Inventory". On the left, there is a sidebar with options: "Add Category", "Add Product", "Add Warehouse", "Manage Warehouses", and "Add Stock" (which is highlighted in green). The main content area is titled "Update Stock Level" and contains two dropdown menus:

- "Select Product *": A dropdown menu showing "320 shades Alcohol Markers (Code: STAT001)".
- "Select Warehouse *": A dropdown menu showing "Itsy Bitsy Warehouse" selected, with other options including "Choose Warehouse", "ABC Warehouse", "Sudha Warehouse", "Ram Warehouse", "Vishaya Warehouse", "Shaj Warehouse", and "Itsy Bitsy Warehouse" again.

WAREHOUSE MANAGER

Warehouse Dashboard

The screenshot shows the 'Warehouse Overview' section of the dashboard. It includes three main cards: 'ACTIVE WAREHOUSES' (5), 'TOTAL ORDERS PENDING' (2), and 'GLOBAL STOCK ALERTS' (2). Below these, the 'Regional Distribution' section displays warehouse counts by location: Delhi (2), Bangalore (2), and Chennai (1). The 'Critical Low Stock' section lists products with low inventory levels at Sudha Warehouse.

Product	Warehouse	Qty
Floral Print Maxi Dress FASH002	Sudha Warehouse	5
White Bookcase FURN002	Sudha Warehouse	8

Add inventory

A modal window titled 'Add Inventory' is open in the foreground. It contains fields for 'Target Warehouse' (Shaj Warehouse (Delhi)), 'Product' (Floral Print Maxi Dress - FASH002), 'Quantity to Add' (200), and 'Low Stock Threshold' (10). The 'Confirm Stock' button is highlighted in green.

Manage Stock Page

The screenshot shows a web browser window titled "Frontend" with the URL "http://localhost:4200/manage-stock". The page is titled "Manage Stock" and displays a table of warehouses. The columns are "Warehouse Name", "Location", and "Action". The data rows are:

Warehouse Name	Location	Action
ABC Warehouse	Chennai	▶
Sudha Warehouse	Delhi	▶
Vishaya Warehouse	Bangalore	▶
Shaj Warehouse	Delhi	▶
Itsy Bitsy Warehouse	Bangalore	▶

The screenshot shows a web browser window titled "Frontend" with the URL "http://localhost:4200/manage-stock". The page is titled "Manage Stock" and displays a table of warehouses. The data rows are:

Warehouse Name	Location	Action
ABC Warehouse	Chennai	▶
Sudha Warehouse	Delhi	▼

When "Sudha Warehouse" is selected, a detailed view of its products is shown:

Product	Code	Qty	Status	Actions
Floral Print Maxi Dress	FASH002	5	Low Stock	Add Deduct
2 Seater Fabric Sofa	FUR0001	150	Good	Add Deduct
White Bookcase	FUR0002	8	Low Stock	Add Deduct

Add Stock

The screenshot shows a modal window titled "ADD Stock" over a background table of stock levels. The modal contains a dropdown menu for selecting a warehouse, a text input for "Enter Quantity" with a value of "20", and two buttons: "Cancel" and "Confirm". The background table lists products like "Floral Print Maxi Dress" and "2 Seater Fabric Sofa" across three warehouses: ABC Warehouse, Sudha Warehouse, and Vishaya Warehouse. The "2 Seater Fabric Sofa" row in Sudha Warehouse has a "Good" status and a "Low Stock" badge.

Warehouse Name	Product	Code	Quantity	Status	Action
ABC Warehouse	Floral Print Maxi Dress	FASH002	150	Good	Add Deduct
Sudha Warehouse	2 Seater Fabric Sofa	FUR0001	150	Good	Add Deduct
Vishaya Warehouse	White Bookcase	FUR0002	8	Low Stock	Add Deduct

Manage orders page

The screenshot shows a table titled "All Orders" displaying six orders. Each row includes columns for Order ID, Date, Customer ID, Address, Amount, Status, and Action. The "Status" column uses colored buttons to indicate the order's status: APPROVED (blue), CREATED (orange), CANCELLED (red), and PENDING (green). The "Action" column contains "Update" buttons for each row.

Order ID	Date	Customer ID	Address	Amount	Status	Action
#6	Jan 6, 2026	7	Bangalore, Karnataka	Rs 4,999.00	APPROVED	Update
#5	Jan 6, 2026	4	Chennai, Tamil Nadu	Rs 4,999.00	CREATED	Update
#4	Jan 6, 2026	2	Chennai, Tamil Nadu	Rs 11,997.00	CANCELLED	Update
#3	Jan 5, 2026	2	Chennai, Tamil Nadu	Rs 4,999.00	CANCELLED	Update
#2	Jan 5, 2026	2	Chennai, Tamil Nadu	Rs 3,499.00	CANCELLED	Update
#1	Jan 5, 2026	2	Chennai, Tamil Nadu	Rs 3,499.00	CANCELLED	Update

Update Status

A screenshot of a web browser displaying the 'InventoryApp' front-end. The main page shows a table of 'All Orders' with columns for Order ID, Date, Customer ID, Address, Amount, Status, and Action. An order with Order ID #5 is selected, and a modal window titled 'Update Status #5' is open over it. The modal contains a dropdown menu labeled 'Select New Status:' with 'APPROVED' selected. At the bottom of the modal are two buttons: 'Cancel' and 'Confirm'. The background table shows several other orders with various statuses like APPROVED, CREATED, CANCELLED, and PENDING.

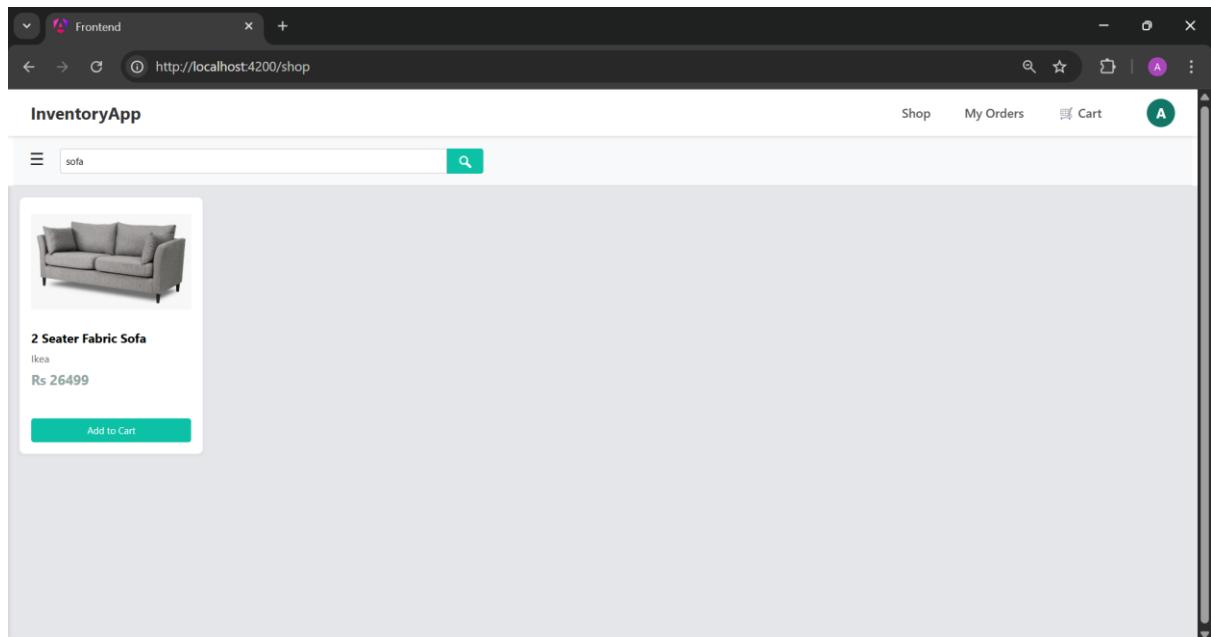

CUSTOMER

Home Page - shop

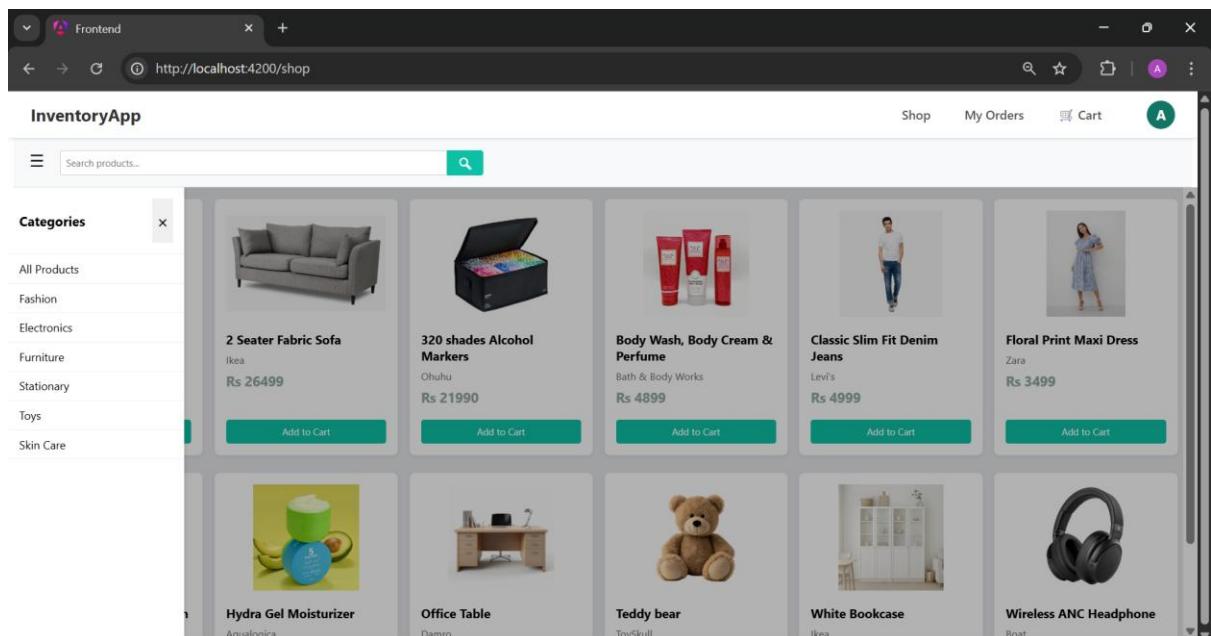

A screenshot of a web browser displaying the 'InventoryApp' front-end home page. The page features a search bar at the top left and navigation links for 'Shop', 'My Orders', and 'Cart' at the top right. Below the header is a grid of twelve product cards, each with an image, name, brand, price, and an 'Add to Cart' button. The products listed are:

Cancel order confirmation

The screenshot shows the same web browser window with the 'My Orders' page. A modal dialog box is centered over the first order:

Cancel Order?

Are you sure you want to cancel Order #7?
This action cannot be undone.

The background page shows the three orders listed below the modal.

SALES EXECUTIVE

Home Page – product catalog

The screenshot shows a web browser window titled "Frontend" with the URL "http://localhost:4200/shop". The page is titled "InventoryApp" and features a search bar at the top. Below the search bar is a grid of 12 product cards. Each card includes an image, the product name, a brief description, the brand name, and the price. At the bottom of each card is a teal-colored "Add to Cart" button.

Product Image	Product Name	Description	Brand	Price	Action
